

Year 11 – 2024
MATHEMATICS STANDARD
M EAGLES

Task Number: 1
Weight: 30%

Notification Date: 29th February 2024
Due Date: Thursday 21st March 2024
In class Periods 1 and 2. Hand in at end of lesson.

OUTCOMES ASSESSED

- MS11-2** represents information in symbolic, graphical and tabular form
- MS11-7** develops and carries out simple statistical processes to answer questions posed
- MS11-9** uses appropriate technology to investigate, organise and interpret information in a range of contexts
- MS11-10** justifies a response to a given problem using appropriate mathematical terminology and/or calculations

TASK DESCRIPTION

This task is an open book in-class task and will involve students answering questions based around the course outcomes and topic “Classifying, representing and analysing data”. Students can expect questions using the NESA verbs.

TASK INSTRUCTION

This task is an open book in-class task with length of **1.5 hours plus 5 minutes reading time.**

Students will not be able to interact with any other student during the task as per Year 11 Assessment Schedule 2024 booklet for examination terms and conditions. At the end of allocated time, they will hand in their responses to the teacher.

Students will not be able to borrow any equipment during the task. They will be able to use their workbooks and any handout given in class for the task. Students will need to bring a pen, pencil, ruler, NESA approved calculator and an eraser.

MARKING GUIDELINES

The open book in-class task will have marks allocated next to each question.

Task Mark	Task Rank	Cumulative Rank
