

Year 11 - 2024
Visual Design
Mr. Galloway/Mr. Van Doesburg

Task Number: 1 **Notification Date: 28/2/2024**
Weight: 20% **Due Date: Due 15/3/2024 Week 7 by 3.20pm to Mr Galloway**

OUTCOMES ASSESSED

DM6: takes into account issues of Work Health and Safety in the making of a range of works

TASK DESCRIPTION

Mandatory Work, Health, and Safety Assessment

Students are able to demonstrate their knowledge of safe working practices through the completion of online safety tests and the creation of a poster displaying the Hierarchy of Control relating to a workshop setting.

TASK INSTRUCTIONS

This assessment task is split into 2 sections; Parts A and B.
Both parts must be completed by all students:

Part A)

Students are to successfully complete all allocated OnGuard safety tests for a range of workshop equipment.

Part B)

Students are to recreate the Hierarchy of Control in poster-form for a workshop setting. This poster should be coloured and eye-catching and include labelling for how each level could be applied to the Pedestal Drill Press tool.

Parts A and B should be completed and returned to Mr. Galloway by 3.20pm on Friday 15th March, 2024.
