H5 explains management strategies and their impact on businesses  
H7 plans and conducts investigations into contemporary business issues  
H8 organises and evaluates information for actual and hypothetical business situations  
H9 communicates business information, issues and concepts in appropriate formats

TASK DESCRIPTION

**Unit:** Operations  
**Task type:** In-class task - extended response

This task will provide students with the opportunity to demonstrate their knowledge of the Operations management of a business. This is an in-class task where students will be given 50 minutes to plan and write an extended response. The extended response must refer to at least ONE case study that the students have studied in class.

TASK INSTRUCTIONS

In this topic –Operations, we have looked at the elements of the operations process, influences and strategies for managers. This task will assess your ability to explain your understanding of operations and link the McDonalds case study to the question provided on the day.

You will be marked on your ability to write a sustained, logical and cohesive response that incorporates business terminology. You must refer to the McDonalds case-study in your answer.

You must submit:  
A clearly written extended response by the end of the 50 minutes.
