**INSTRUCTIONS FOR STUDENTS**

- Full school uniforms are required.
- **All mobile phones and electronic devices must be either in your bag outside the examination room or submitted to the office for the safe keeping. All devices MUST remain there for the entire time of the examination and MUST be turned to silent mode.**
- Attend Roll Marking at 8:55am at the D&T room. Special Provisions are in the LangLab. Morning examinations begin at 9:05am. Afternoon examinations require students to be at the examination room 10 minutes before the commencement of the examination. These examinations have varying start times (see timetable).
- Students with special provisions will be advised of their examination room prior to the examination period.
- You must remain in the examination room until you are directed to leave by a teacher at the completion time of your examination. Remaining in the examination room contributes to your success in completing all sections of the paper to the best of your ability. **There is no early finish for any examinations.**
- All examinations have 5 minutes reading time, except the English Paper and Mathematics which have 10 minutes reading time.
- During the examination the following rules apply:
  - No communication between students
  - No borrowing or sharing of equipment
  - No eating (unless prior arrangements have been made on medical grounds). A small bottle of water may be brought in.
  - Generally, it is expected that students will not require toilet breaks.
- You may leave the school at the completion of their examination if the note attached has been returned.
- You must supply your own equipment – e.g. pens, pencils, eraser, stapler, calculator as per NESA guidelines
- Do not bring any paper. All paper will be provided.
- Bags are to be left along a wall in the examination room– well away from your desk.
- In the case of illness, misadventure, or leave, the parent/carer needs to contact the school prior to the examination. The student needs to see Miss Eagles immediately on their return to school to obtain the appropriate form.
- Applications for illness/misadventure should be completed immediately, and if medical grounds are cited, a medical certificate will be required.
- Ensure that you make a serious attempt at each paper. Any student who makes an unsatisfactory effort may be required to sit the paper again and might not progress to the HSC examinations in any or all courses.
- Treat these examinations as if they were the HSC. The staff of Manilla Central School wish you the best. If you have any concerns, please let us know.

<p>Parents and Carers,</p> <p>In the period from <b>Thursday 19<sup>th</sup> September to Tuesday 24<sup>th</sup> September inclusive</b>, our senior students will be undertaking their Examinations.</p> <p>It is often appropriate for senior students to study at home when not actually sitting an examination. While this is good practice for the HSC examinations, it may or may not suit you and/or your son or daughter at this time. The alternative to this is that they remain at school and work. Please complete and return the attached form to indicate your preference.</p> <p>Mrs Ferguson (Deputy Principal)</p>	<p style="text-align: center;"><b>Year 11 Examinations 2024</b></p> <p>The Principal, Manilla Central School</p> <p>I would like .....of Year 11 to:</p> <p style="padding-left: 40px;"><input type="checkbox"/> travel home / remain at home when not sitting an examination</p> <p>OR</p> <p style="padding-left: 40px;"><input type="checkbox"/> remain at school for the entire examination period</p> <p>Signed .....Date .....</p>
