1/2 Cyclone

During Term 3 1/2 Cyclone have been studying the geography unit "Features of Places". This unit of Inquiry sees the students study major landmarks around Australia, both man-made and natural. They are learning about the states of Australia and important features of each state. This unit has made the students aware of our own beautiful town and the features we enjoy. They have realised the attractions Manilla has to offer visitors and have been able to express their own connections to Manilla. Students are also developing an appreciation of the wonderful natural features found around Australia and many of them have desired a wish to travel this great country. They have learnt about sustainability and the importance of caring for places for future generations. Students have been writing about the different aspects of places to enhance their understanding of the subject. They have also depicted places through their art.

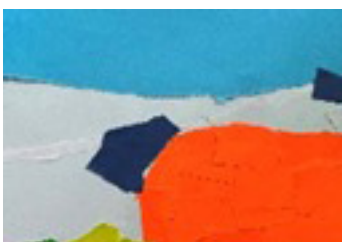

Maths has seen students continue to develop their understanding of multiplication, division, addition and subtraction through small group activities and engaging in hands on activities. Materials are also used to deepen their understanding of measurement and making items to demonstrate their understanding.

Werris Creek Excursion

Postponed

New Date Coming Soon

Unfortunately the K-2 Excursion to Werris Creek had to be postponed last week due to flood waters. Stay tuned for the rescheduled date in Term 4...third time lucky kids. IT WILL HAPPEN!

Positive Behaviour for Learning

Term 3, Weeks 4 & 10

We are learning to use
safe, respectful, responsible behaviours
when on excursions & using
outdoor classrooms.

Head Lice

There have been several cases of head lice reported in the school recently. Could we suggest that you check your child's hair regularly? Medication to treat your child's hair is available at pharmacies and supermarkets.

Thank you for your support with this matter.

- Applications need to be received at the school offices by Friday, 24th September, 2022
- Successful applicants may only apply every third year eg. if successful in 2021 you cannot supply again until 2024

Frock Club

Presentation

MANILLA – 27th October 2022

Frock Club aims to bring about community connectedness, using 'slow fashion' as a vehicle. Through our presentation, in a 'TED Talk' type way, we seek to inspire and challenge a new way of dressing.

- The session will examine:
 - What's currently happening with clothing?
 - o Consequences of the 'fast fashion' phenomenon
 - o The trouble with waste – environmental (un)sustainability
 - o Disappearance of technical skills
 - The slow fashion movement – in search of quality clothing (fabric, fit and finish)
 - New pathways to design:
 - o Unpack current processes of making a garment
 - o Present innovative DIY practices to create a more wearable wardrobe for today (post COVID)

When: Thursday 27th October 2022

8.45 am for 9.00 start – 1.00 pm

Proudly supported by:

Presenters:

- **Lois Hennes**, Pattern Engineer and co-author of 'The Fashion Design System: Pattern Engineering for the 21st Century'
- **Ruth Povall**, Technical Designer and freelance Pattern Engineer

Where:

- **Manilla RSL Services Club – Function Room**
25 Court Street, MANILLA 2346
- **Cost:** \$5.00 for morning tea

Bookings are essential for catering:

- Contact Chris Donlan **0417 747 823 / (02) 6785 7365**
- Contact Margaret Dove **0428 697 578**

Good for kids

good for life

Screen time and physical play

Movement and play are important for kids development

Choose small screen games and Apps that reduce kids sitting time and encourage physical activity.

- 📺 Choose videos, games or Apps that get your kids moving e.g. dancing, sports, yoga. Join in using the App or game with your kids
- 📱 Plan a walk using a digital map. Take photos of interesting things along the way
- 📺 Video your kids learning a new skill e.g. hopping, a new skateboard trick. Replay the video to track their progress over time
- 📺 Be a role model! Show your kids how to track their physical activity. Talk about how being active is fun & feels great! Show them how far you walked or swam last week!
