### News from S2 Charlie

The end of the year may be approaching, but the students in S2 Charlie are always ready to learn new things. Some recent learning experiences that have been fun, exciting, and engaging for the students include:

- Practising yoga in sport to execute and combine a series of body movements.
- Using AI image generators in writing to create images to match their poems. Students discovered that without using descriptive words and phrases effectively, the generated images would not appear, or they wouldn't be as impressive!

The students also filled their jar of stars recently and enjoyed a well deserved pizza party as a class reward for their commitment to learning.

Keep up the fabulous work, S2 Charlie!

### K- 6 Assembly

Congratulations to all students who received an award at the K-6 Assembly on Thursday.

Well done also to students in S1 Bravo who entertained everyone with their impressive rhythm and dancing skills.

### Transition Day 6

It was a perfect day for a picnic as we enjoyed a duck themed transition session. Students enjoyed stories, songs, drama, number and art activities all about ducks. We met Mrs Martin who helped with our craft work. It is wonderful to see the happy faces who are forming friendships and much needed skills for learning at school as they participate each week.
