

Dear Parents/Caregivers,

Kindergarten Diamond are studying a unit of work titled "People Live in Places." Students are exploring places they live and belong to. They are developing an understanding of what makes places special and the importance of looking after special places.

To compliment this inquiry unit, Kindergarten Diamond will be going on a walking excursion to the bird park. We will be taking a packed lunch to enjoy a picnic while we are there. Parents and caregivers are most welcome to come to the park and join us for the picnic. We expect to be there at approximately 12.00pm.
