The cost per student will be **\$140.00**. The actual cost is **\$285.00** per student with the school funding travel costs. This cost includes all entry fees, meals, accommodation and other incidental costs that may occur. The cost is dependent upon a minimum number of 30 students attending. Staff attending will be announced at a later date.

A non-refundable deposit of \$50.00 will be required to ensure your child will attend the excursion. Please sign the note attached and make the payment of \$50.00 to the office or online by **Term 3, Week 10 Friday, 23<sup>rd</sup> September**. After this date if your child is unable to attend your deposit will not be refunded as there will still be costs that will need to be covered. We also encourage small regular payments to make it easier to afford e.g. 6 x \$15 or 3 x \$30 instalments. The remainder of the cost per student will be due by **Term 4, Week 6 Monday, 14<sup>th</sup> November**.

Student behaviour is paramount on an excursion and your child is expected to continue to always adhere to our school behaviour policy leading up to the excursion at school. If they do not comply with this unfortunately, they will not be able to attend the excursion and your deposit will not be refunded. If you have any concerns, please contact me at school to discuss this further.

A second note with all requirements will be finalised and given out to all students participating in Term 4.

This excursion will be a wonderful experience for all students and lots of fun will be had by all. If you have any questions or concerns, please contact me at the school.
