Dear Parents/Caregivers,

WORLD OF MATHS – HANDS ON MATHS WORKSHOP

As part of our Term 2 work, we have invited World of Maths (a travelling, interactive Maths Workshop) to visit our school.

World of Maths offers an ideal opportunity for students to see how maths is applied to everyday life situations, and to explore Maths in a hands-on environment.

Students are encouraged to communicate their Maths ideas and answers with other students in small teams, working together.

Students will gain insight into problem solving, working in teams, and will explore various mathematic stains which are part of the curriculum this term.

It is a highly engaging session which will show that Maths is everywhere and is important and of course, that Maths can be fun!

YEAR LEVELS: S2 Jupiter and S2 Mars

DATE: Wednesday 28th June 2023 between 10.10 – 11.10am

The World of Maths Workshop will be at no cost. Manilla Central School will fund this event to support ongoing learning and the current curriculum.

Yours sincerely,

Mrs MacDonald
APCI - Assistant Principal

Mr Scott
Assistant Principal
