# Flies!

Flies, Flies, Flies,  
All over the place  
On my head, on my face

Flies, Flies, Flies,  
They're all around  
In the air, on the ground

Flies, Flies, Flies  
They make me very, very mad  
They really are so bad

Flies, flies, flies  
Crawling on your food  
Putting everyone in an angry mood

Flies, Flies, Flies  
They make a buzzing sound  
On dirty things they can be found

Flies, Flies, Flies  
They crawl around your eyes  
"Grab the spray!" everyone cries

Flies, Flies, Flies  
Hit them with a burst of spray  
No more buzzing, they're dead—HOORAY!

Read the text and shade a bubble or write an answer to each question.

1

What is this poem about?

MONITORING

---

2

**Which body parts do flies like to crawl on?**
