

# Spelling & Phonics

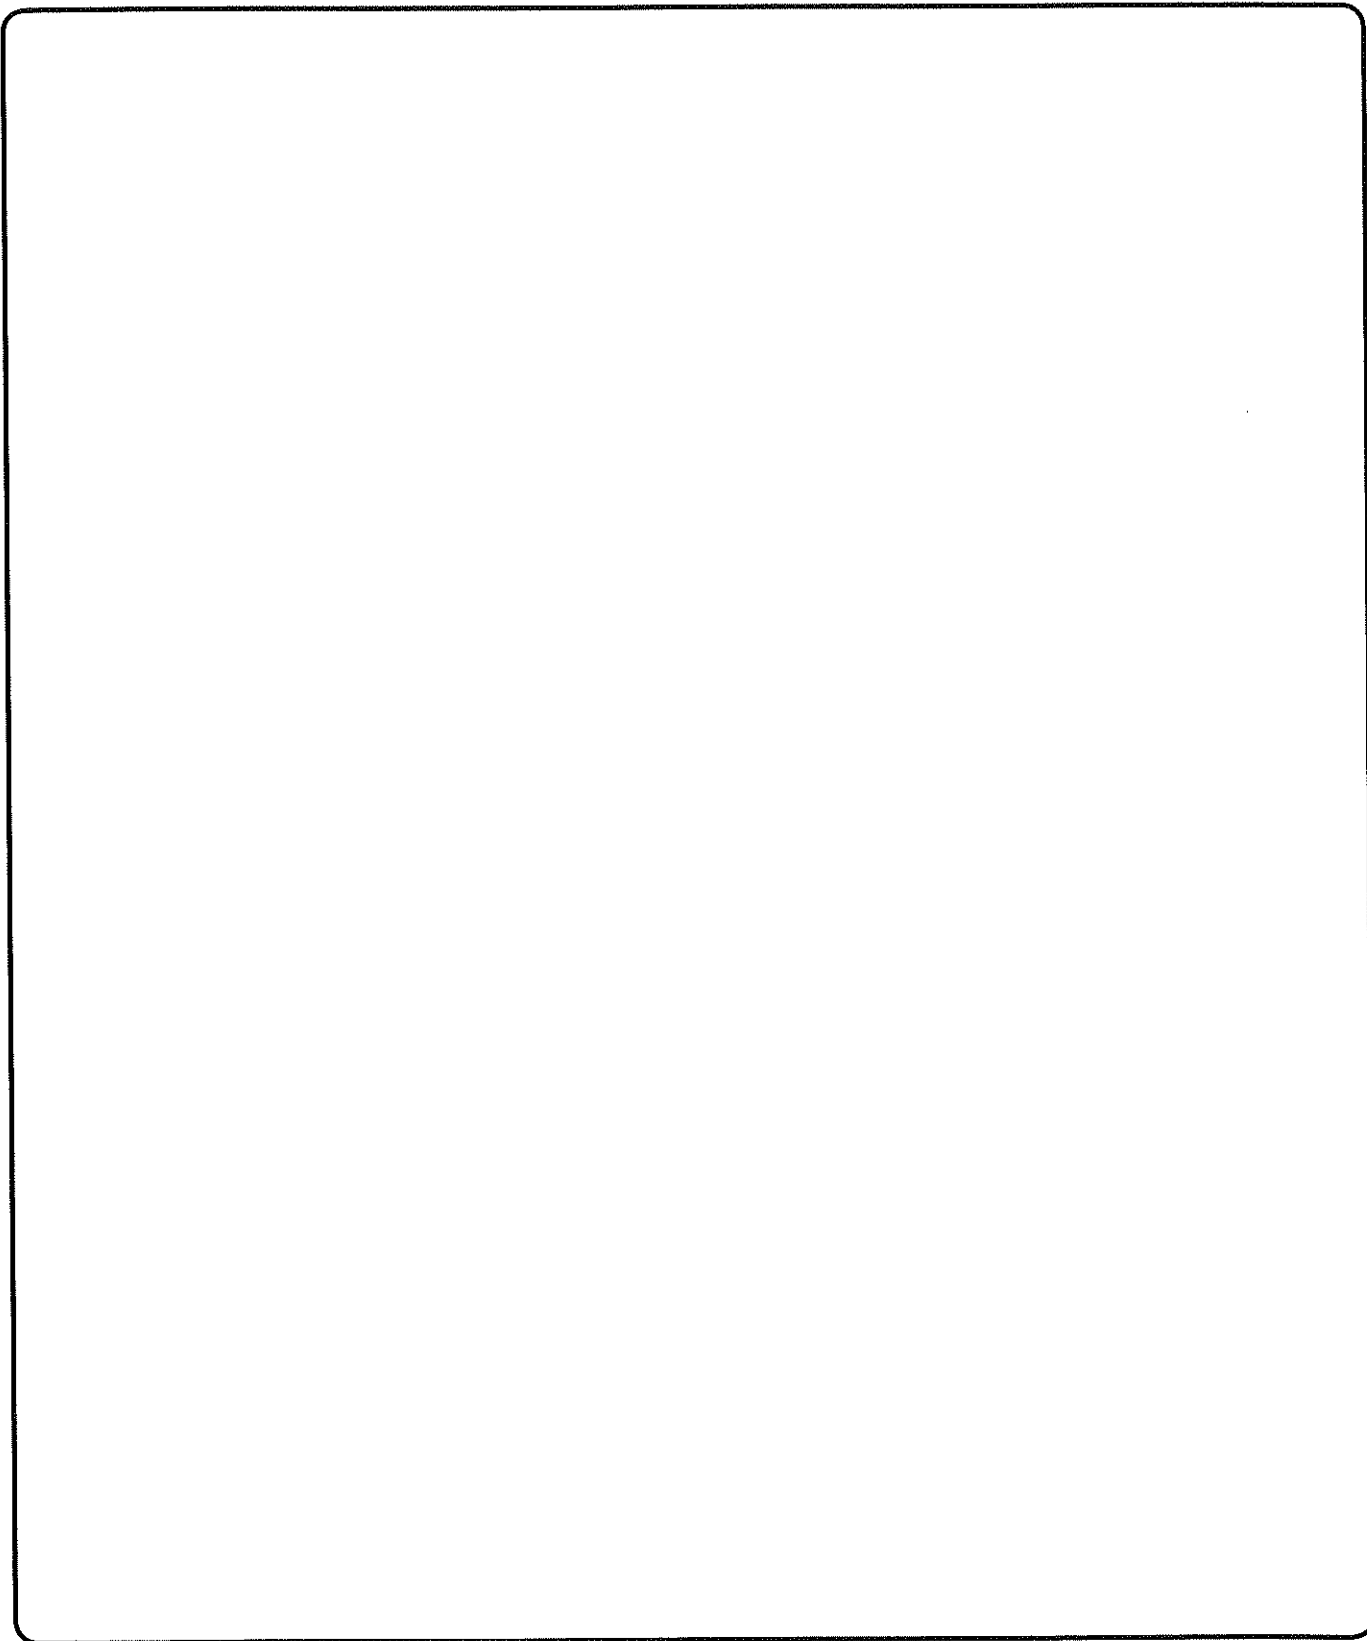

GROUP 1

Name: \_\_\_\_\_

 INSTRUCTIONS

Look through some magazines and find at least four pictures of words which use each of the following phonemes — /sh/, /ch/, /th/ and /wh/. Paste your pictures in the space below.

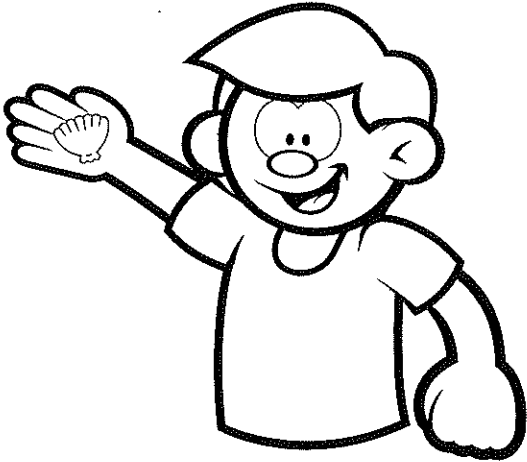

**INSTRUCTIONS**

Read the words in the unicorn and draw a picture for each word in the space below. You might like to cut out pictures of the words from a magazine and paste them into the squares instead.

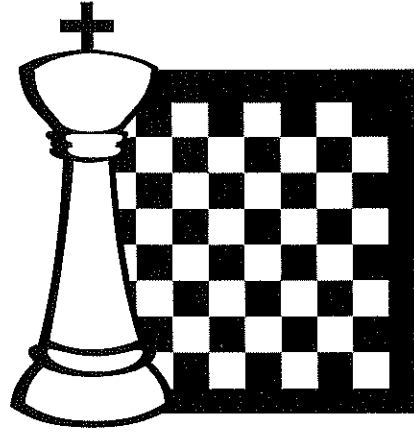

INSTRUCTIONS

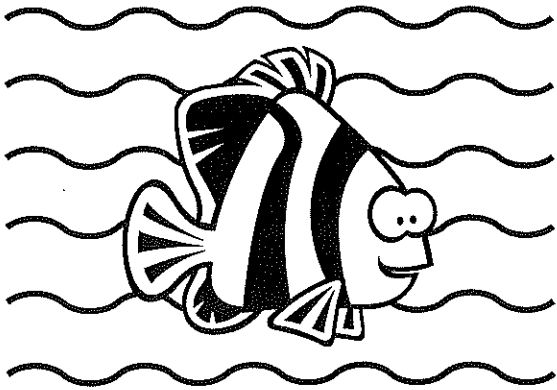

Read the first sentence and look at the picture. Colour in the ✕ if the sentence does not match the picture or the ✓ if it matches. Put a circle around any words with /sh/, /ch/, /th/ or /wh/ in them and colour in the pictures.

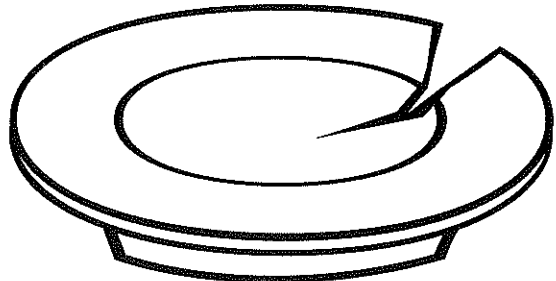

He had a big shell.

I can play chess.

That fish can jump.

The dish has a chip.

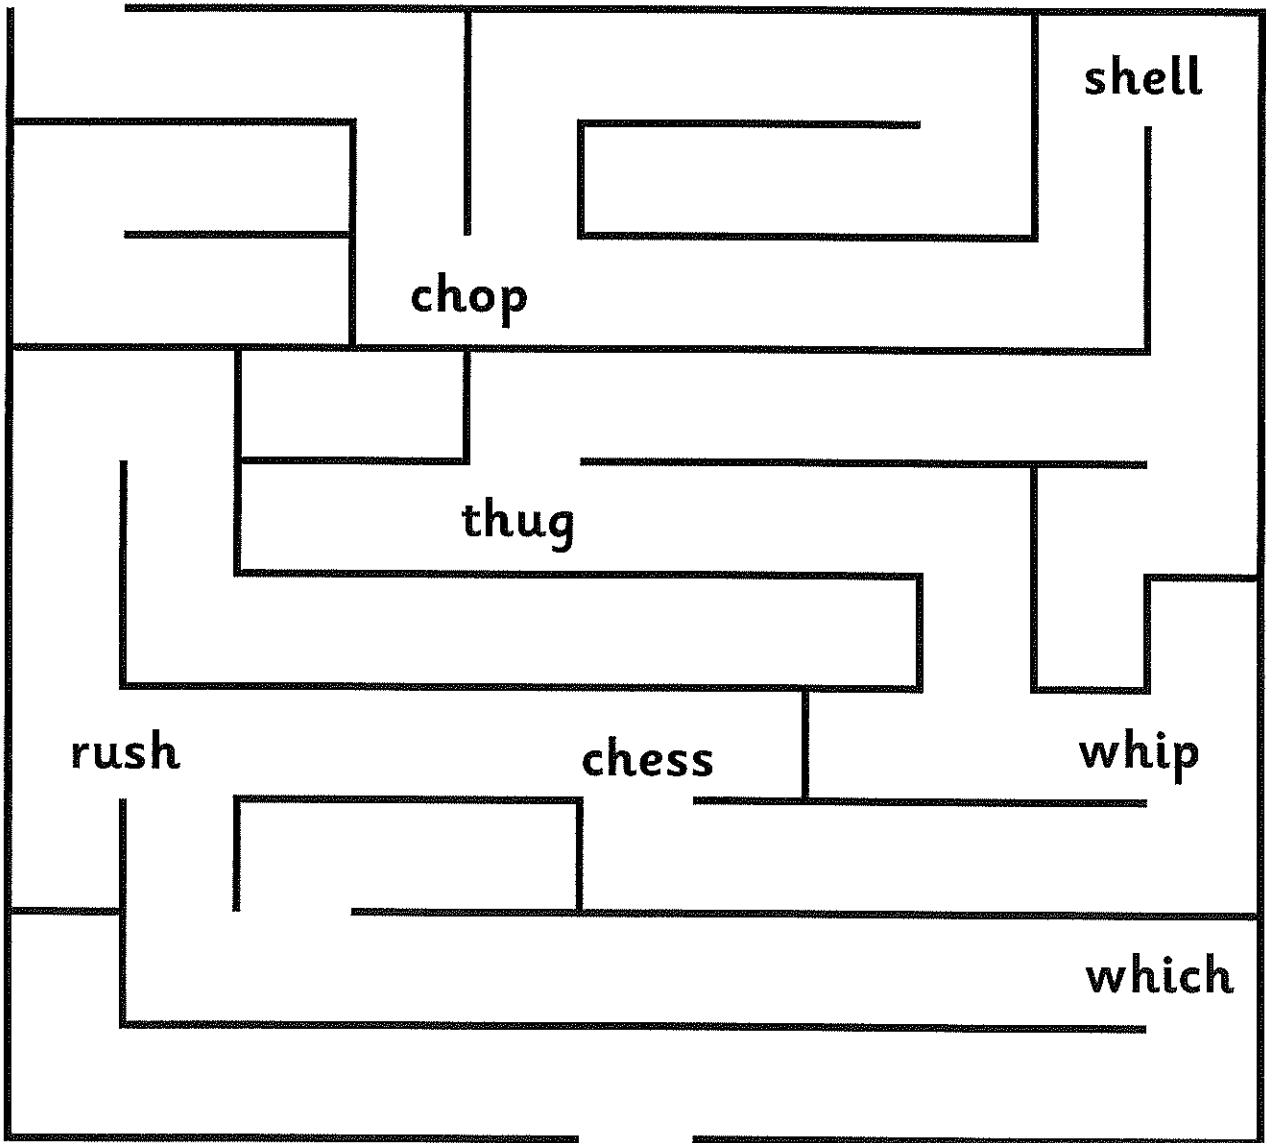

**INSTRUCTIONS**

Help the leprechaun find his pot of gold at the end of the maze. Make sure you read each word as you move through the maze.

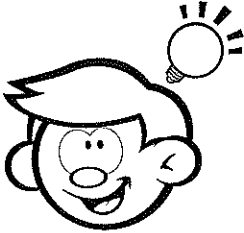

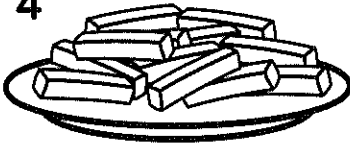

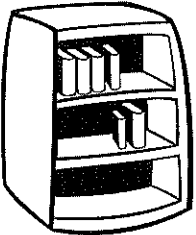

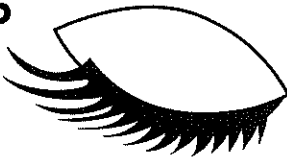

**Start**

**INSTRUCTIONS**

Look at the first picture and write the word into the crossword. Do all the 'across' words first and then do the 'down' words. Colour in the pictures.

N.B. Remember sometimes two letters make one phoneme. The spaces for these phonemes are separated by a dotted line.
