

Name: _____
Class: _____

Stage 2 – Age of Exploration

Lesson 3 Overview – The Early Explorers of Australia

The questions to think about in this lesson are:

- Who discovered Australia?
- Why did people set sail to find Australia?

1. **Watch:** Early Explorers of Australia and New Zealand – animated map
<https://www.youtube.com/watch?v=uOD7hnqoCcQ>
2. **Read:** World Book Online (WBO) article about Willem Jansz (also known as Willem Janszoon)
3. **Watch:** Youtube: Willem Janszoon 1 –
<https://www.youtube.com/watch?v=IYI-9KLLTMk> morgan Delgado – Cape York then 1618
4. **Read** – WBO article about Dirk Hartog
5. **Watch:** Youtube: Dirk Harthog WA museum James Dexter
<https://www.youtube.com/watch?v=nAspKoJNSnc>
6. **Read:** WBO article about Abel Tasman
7. **Watch:** Abel Tasman: mapping the southern lands (1min 43)
<https://www.youtube.com/watch?v=LBJJXsOgas8>
8. **Read:** WBO article about New Holland
9. **Read:** WBO about William Dampier
10. **Watch:** Youtube: a new voyage round the world – book review (4mins 35)
<https://www.youtube.com/watch?v=eurjmb2E8h4>
11. **Complete:** The lesson 3 – Early Explorers of Australia worksheet. **Part A** is a Cloze sentence activity, **Part B** – complete the timeline and fill in the missing information and **Part C** – Mapping the Early Explorers of Australia. Using the blank map and the information provided draw each explorer's trip onto the one blank map of Australia.
12. **Please return all completed work to school so it can be marked.**
13. **Optional:** Weblink: Information about the Roaring forties:
https://en.wikipedia.org/wiki/Roaring_Forties

Kind Regards

Ms Sauer – Teaching Librarian

P.S. We will complete a lesson on Captain James Cook in lesson 4.
